

PSAC Match Rules

1. A match captain shall be appointed who may appoint assistants as he thinks fit.
2. The match captain's decision shall be final.
3. Pegs or swims can only be redrawn with the consent of the match captain.
4. No contestant shall break the surface of the water (except to plummet the depth and position their keep net) until the all in signal for the start of the match.
5. All fish caught shall count in the weigh-in except Barbel and game fish.
6. Fishing is restricted to half way to the next fished peg left or right (if fishing both banks then half way across).
7. No feeding with a pole whilst fishing a running line. No leaving your peg to feed.
8. When weighing in, fish should either swim up the keep net in the water or a lower ring pulled through.
9. The weigh in shall be an agreement between the weigher, checker and the angler whose fish are being weighed.

Fireman's only

10. Two keep nets must be used from the start of the match and fish split evenly between the two nets. A 50lb net limit also applies.
11. Barbel must not be put into keepnets
