

Membership of our club has become so popular that we now maintain a substantial waiting list. If you are a new prospective member that would like to be added to our waiting list, please send your details with the type of membership required to membership@portsunlightanglingclub.co.uk. Membership will be offered on a first come first served basis based on your position on the list.

! Please note that our waiting list has grown substantially and as a result it may be several years before we are able to offer you membership.

For those who would like permission to fish the PSAC stretches of the Shropshire Union Canal & Weaver Navigation during the open River fishing season only, we now offer an annual canal permit for £15 with further details available [HERE](#)

Current members who wish to add a junior or a non-fishing membership for their partner please follow the process in the New Members page of our [website](#). *(Not applicable to Canal Permit holders)*
